TRANSIENT OCCUPANCY TAX REGISTRATION INSTRUCTIONS FOR SHORT-TERM RENTALS

These instructions are for facilities offering accommodations of one or more rooms, or living spaces located in the unincorporated area of Sonoma County. All operators of facilities in an incorporated city within Sonoma County should contact that city for transient occupancy tax information.

Operators operating without a valid TOT Certificate shall be guilty of a misdemeanor, which is punishable by a fine not to exceed five hundred dollars (\$500.00) or imprisonment for a term not to exceed six (6) months, or by both such fine and imprisonment. Each day of operation without a valid TOT Certificate shall be deemed a separate offense.

Tax reporting is mandatory on a quarterly basis. Once registered you will be emailed a courtesy reminder approximately 30 days prior to each due date. The email will include information on how to file your TOT return online. If you would like to file a paper return, please download a TOT return from our website. These quarterly emails are only courtesy reminders, as Sonoma County TOT ordinances do not require TOT return reminders to be sent to owners/operators. **Even if you collect no rents during the reporting quarter, you must file a return.**

Failure to submit the quarterly tax return and monies due will result in penalties and interest and further collection activity. Continued delinquency may result in the operator being required to post a security bond and possible revocation of their TOT Certificate.

Operator records are subject to annual audits by the Sonoma County Auditor-Controller. These records are to be made available upon request and must be retained for a period of five (5) years.

Visit our website at <https://sonomacounty.gov/acttc-tot/bia> for tax returns and additional TOT information. Copies of the Sonoma County Transient Occupancy Tax Ordinances are available upon request or on our website. It is required that operators read and comply with the ordinances.

Sonoma County requires a permit to operate a short-term rental in the unincorporated areas. Operation without an approved permit is a violation of Vacation Rental Ordinance No. 6145 and is subject to penalty.

For more information, please visit the Permit Sonoma Vacation Rentals website: <https://permitsonoma.org/vacationrentals>
